STANDARD RETURN POLICY

RETURNS: Returns are not permitted unless authorized by Associated Equipment. Unauthorized returns will be refused or returned to the sender freight collect. Authorized returns must be shipped freight prepaid in saleable condition and in original cartons. Return items must be on current price list. Returns are subject to a 20% restocking charge.

NEW DEFECTIVE: To be classified as a new defective, the equipment must be in NEW condition, and returned in its ORIGINAL PACKAGING. The products must have experienced an initial failure upon first use. (FULL CREDIT OR REPLACEMENT WILL BE ISSUED UPON INSPECTION). There is a 10% RESTOCKING FEE for items being returned that are not in original packaging.

DAMAGED IN TRANSIT: Damage claims are to be filed at the time the products is delivered. Consignee must indicate on the shipment's Bill of Lading that the product arrived damaged and must be reported within 10 days. Please note that concealed damage reported after the 10 day period will be eligible for replacement only and contingent upon inspection. The unit must be returned in original packaging, in new condition, shipped freight prepaid and must include a copy of the RMA.

CUSTOMER CANCELLED OR INCORRECT PART ORDERED: Full credit less shipping will be issued if the product is returned promptly, within 45 days (of provided bill of sale date), in NEW condition and in ORIGINAL PACKAGING. There is a 20% restocking fee for returns made after 45 days. If found to be used or not in original packaging the unit will be rejected for credit and ALTERNATIVE DISPOSITIONS WILL BE OFFERED.

WARRANTIES: Products are warranted from date-of-purchase. Length of warranty varies by product, refer to warranty guide below or information included with product.
