

## MATERIAL LIMITED WARRANTY

RUSFRĒ warrants its equipment for one year; and, at its option, and with written approval from the factory, will replace or repair any that fails. This does not cover failure attributable to improper use or maintenance. Materials are replaceable at cost. No other warranty, written or implied, applies.

We guarantee that RUSFRĒ shall be merchantable quality. easy to apply, over and adhere to clean metal surfaces, and provide a film that is uniform in quality and relatively odorless.

RUSFRĒ effectively prevents corrosion of automotive steel over long periods of time. It has a flash point of 105°F.

In the event, after proper inspection by us, there is evidence that RUSFRĒ has failed to perform as indicated above, we will replace the material or refund the purchase price of the material.

No other guarantee or warranty that herein noted, either expressed or implied, has or will be made in behalf of RUSFRĒ with respect to this guarantee.
