

LIMITED WARRANTY

Goodall products are warranted to the original purchaser against failure due to defective material and/or workmanship for a period of one (1) year from the date of purchase, except for items that are warranted solely by the manufacturer, such as gas engines, hydraulic motors, flow control valves and air compressors, and all batteries and power cells which are warranted for 90 days.

This warranty does not cover any product altered, used for a purpose other than that for which it is intended or used in a manner inconsistent with any instruction regarding its use. The exclusive remedy for any product found to be defective under this warranty is

limited to the repair, or replacement of the defective product without charge, and Goodall shall not be liable for any consequential or incidental damages, including labor charges.

In order to qualify for this warranty, all returns must receive prior authorization from the factory and be returned directly to the Goodall factory (or authorized service center) postage or freight prepaid. Goodall will make final determination of defects. No agent, employee, or representative of Goodall has any authority to bind to any affirmation, representation or warranty concerning Goodall products, except as stated herein.

All specifications are subject to change without notice.
