NEW United States RGA Procedure for H & S Autoshot

Effective immediately, there is a new phone number and address for all H & S warranty and non-warranty repairs.

Please call 980-500-1011 for an RGA number. At that time a technician might be able to do some trouble-shooting with you over the phone. But if not resolved,

**Please ship your product to our new, permanent repair center at**

**H & S Autoshot  
302 Rolling Hills Rd.  
Mooresville, NC 28117**

**As of August 22, returns to Gurnee, IL will not be accepted.**

Please be sure RGA number is on the outside of the box and inside the box is your name, email, phone number and a description of the problem you are experiencing. Once we receive your product – we will be in touch with you within 3 business days to acknowledge receipt and to tell you if it is in or out of warranty.

If out of warranty – you will be provided a quote to repair your Stud gun or other H & S product. Within 2 business days, we ask that you reply with a credit card number to pay for the repair. We will make 3 attempts to contact you (email and/or phone) over the course of 10 days. If we do not hear back – we will return your item to you freight collect. If you wish your item disposed of – we will be happy to do that as well.

If your unit is in warranty –we will repair and return it to you within 5 business days.

Canadian Repairs should continue to contact our Georgetown, Ontario location at 888-677-3798 for an RGA and the same above procedure will apply.
