

INTERNATIONAL LIMITED WARRANTY

Thank you for purchasing a quality International tool box. International tool storage products have been manufactured to the highest standard of quality, workmanship, and care.

Metal Tool Storage products are warranted to be free from defects in material and workmanship under normal use from the original date of purchase as outlined below:

- SHD - Limited Lifetime Warranty
- Professional Series & Standard Series – Seven Year Warranty
- Value Series, and Specialty Products – Three Year Warranty
- Economy Series, Portables, Truck boxes – One Year Warranty

If any product is found to be defective in materials or workmanship under normal use within the appropriate warranty period, your exclusive remedy is replacement of the defective product or parts. This warranty does not cover products that are damaged through misuse, abuse, overloading, mishandling, accident, modification, neglect, or exposure to environmental factors.

The only products expressly warranted for use in vehicles are the B916B and B933B provided they are mounted correctly in the vehicle with the provided rubber feet. All other claims for boxes used in a vehicle may be rejected. Ultraviolet rays and certain chemicals may also have an adverse effect upon paint finishes. Additives and UV inhibitors are included in the paint mix but cannot fully warrant against fading or blemish if exposed to the above conditions.

Warranties apply to the original purchaser with proper proof of purchase. This warranty supersedes and excludes all other warranties and guarantees either expressed or implied on all International products effective January 2007.

For further questions about a product warranty or remedy, contact your authorized International retailer or the International customer service department.
