

LIMITED WARRANTY

Subject to the terms and conditions hereof, NLC, Inc., Jackson, Missouri, warrants its products to be free from defects in workmanship and material at the time of delivery by NLC, Inc.

NLC, Inc will honor warranty claims on products as a result of failure from a defect for a period of 30 days from date of sale to the original user.

L-4000 series resistance welders, LAS-8 & PANELMASTER welders and LP-2000 LENCOPULLS manufactured by NLC, Inc. carry a one (1) full year warranty (cable assemblies discretionary) when installed and used according to NLC, Inc. approved operating instructions.

Transformers - NLC, Inc. warrants welding transformers on all PANELMASTER, LAS-8, and LP-2000 machines for a period of three (3) years from original purchase.

All warranty repair work must be authorized and confirmed by NLC, Inc. All returns will be at customer's expense.

It is understood the warranty does not cover among other things, misuse, damage in transit, neglect, alterations, accidents or damages caused by floods and is the only warranty either expressed or implied covering our products.
