

NATIONAL-SPENCER, INC. LIMITED WARRANTY

National-Spencer warrants to the original purchaser that its new products will be free from defects in material and workmanship for a period of 24 months following date of original shipment to end user. Any new product found to be defective in material or workmanship within the warranty period will be repaired or replaced (at manufacturer's option) without charge to the original purchaser when returned with proof of purchase to National-Spencer, Inc., Spencer, Iowa or Stockton, California, transportation prepaid and insured. All implied warranties, including any implied warranty of merchantability or fitness for a particular purpose, shall be limited in duration to the 24-month express warranty period specified above. (Some states do not allow limitations on how long implied warranty lasts, so the above limitation may not apply to you.) This warranty is void if: (1) the product has been damaged by accident or unreasonable use, neglect, improper service or installation, or other causes not arising out of defects in material or workmanship. (2) the serial number (if applicable) has been altered or defaced. National-Spencer shall not be liable for loss of use of the product or other incidental or consequential costs, expenses, or damages incurred by the purchaser. (Some states do not allow the excluding or limitation of incidental or consequential damages, so the above limitation or exclusions may not apply to you.) Repairs and/or replaced new parts are warranted against defects in material and workmanship for one year, however, this additional warranty applies only to the specific parts repaired or replaced. This warranty gives you specific legal rights, and you may also have other rights, which vary, from state to state.
