Subject: Warranty policy

Whiteside Manufacturing provides a 90 day warranty on all materials and workmanship. Whiteside stands by the products we offer to the market place to be the "highest quality products". If one of our offerings does not hold up because of a material defect or workmanship, we will either replace the defective part or the entire product.

Whiteside may ask for a photo of the defective unit or request to have the product shipped back to the Whiteside corporate office for evaluation. If we find that the unit is truly defective the product and the freight will be credited.

Best regards,

Heather Murphy
